유탄메디카 (Yn Medica) is a leading manufacturer of health functional foods in Korea. This product, 365 Multi Vitamin, is a dietary supplement containing 13 vitamins and 5 minerals, including Vitamin B complex. It is designed to provide essential nutrients for overall health and vitality. The product is available in a convenient 120-tablet pack, each containing 800 mg of the active ingredients. It is recommended to take one tablet daily with your first meal. The packaging is bright yellow and features a colorful geometric pattern at the bottom. The Yn Medica logo and the text '건강 기능식품' (Health Functional Food) are prominently displayed at the top. A small badge indicates '5개월 당 1개' (1 tablet per 5 months). The bottom of the box contains the product name in both Korean and English, along with the quantity and weight information. The entire box is set against a plain white background.
